

FLOOR PADS

**NORTON
ADVANTAGE**

Floor Pads

Floor Pads are made from a high denier nylon fibre and special resins. These pads are available in discs form suited for cleaning, scrubbing and polishing of floors. The pads are colour identified so that they are easily coded for the application. Pads are available in sizes from 300mm (12") to 500mm (20") to suit various floor polishing machines.

TYPICAL APPLICATIONS

STRIPPING APPLICATION

▶ **Black Floor Pad**

For use on the most severe floors. This pad has extra heavy duty fibres more abrasive grains and open weave designed to strip floors quickly and effectively, reducing labour costs. Effective on floors with grease and wax build up.

SCRUBBING APPLICATION

▶ **Green Floor Pads**

Suited for heavy duty wet scrubbing of heavily soiled areas and routine cleaning

BUFFING APPLICATION

▶ **Red Floor Pads**

Generally used where a high gloss finish is desired when dry or spray buffing. It can also be used for light cleaning applications

POLISHING APPLICATION

▶ **White Floor Pads**

A non abrasive polishing pad used dry or at times with wax to generate mirror or glossy shine

NON-WOVEN ABRASIVES
